

WI-FI 2024 (France, Germany, Italy and the Netherlands)

Stay connected during your boating holidays! Most of our bases in **France, Germany, Netherlands and Italy** provide wi-fi modems for hire. These will enable you to connect all the devices you have on your boat: computers, tablets or smartphones. You will be asked for **a deposit** (€100 in Italy, €150 in France, Germany, and Netherlands) on spot. The maximum consumption is **5Gb/day** in France, Germany, and Netherlands. In Italy the consumption is limited to **2Gb**, each additional Gb will be charged 10 euros. This service is not available in Ireland and in our bases in Pont-à-Bar, Buzet-surBaise and Bernburg.
