WITH OR WITHOUT A PACKAGE? AN EXAMPLE

Pénichette Classic 2/5, one week in France. Without a package: Silver waiver 140 € + cleaning 140 € + one bike 56 € = **336 €**, plus fuel at cost, 14 € per engine hour. With Sérénité, pre-sale: **580 €**, unlimited cruising fuel included (excluding air conditioning and heating).

The package pays off from **about 17 hours of cruising** in the week. And **our customers cruise 4,5 hours a day on average**, i.e. 31,5 hours over 7 days: about 441 € of fuel, so 777 € without a package versus 580 € with one. With Sérénité+ (750 €), for 170 € more, your excess drops to 0 € and you get a second bike.

Without a package, fuel and gas are billed via the Pack Éco-Navigation (page 9) and the standard deposit (Bronze option) applies. Package prices by boat: pages 11 and 12.

CRUISE WITH AN EASY MIND

Security deposit and damage waiver

On departure, a security deposit is **simply held on your bank card** : it is not charged. Its amount depends on the boat and is the **most you could have to pay** in case of damage to your boat or a third party's. The Bronze option is included in every rental; Silver and Gold reduce or remove your excess.

PAY FOR THE FUEL YOU USE

The Pack Éco-Navigation

If you have not taken one of the Sérénité packages, consumables (fuel, gas…) are billed through the Pack Éco-Navigation: you only pay for what you use.

HOW DOES IT WORK?

1

Your boat leaves with a full tank

Your boat is handed over with a full tank of biofuel, enough for 2 to 3 weeks depending on the model and region.

2

You cruise, we measure

An hour meter records the actual number of hours the engine runs. This is what your consumption is calculated on.

3

We refill the tank when you return

Our teams take care of it for you. Nothing to do when you disembark.

HOW IS YOUR BILL CALCULATED?

At departure

A deposit is requested, depending on the length of your stay.

On return

The amount is adjusted to your actual engine hours.

Hourly rate

Displayed at each base, it may vary by boat and market price.

Air conditioning. In France, generator use for air conditioning is charged at 14 € per hour.

See hourly rates by boat and country on pages 13 and 14.

GOOD TO KNOW

INSURANCE EXCLUSIONS

These situations are **never covered**, either by the boat insurance or by the damage waiver. If the hired boat, a third party or a structure is damaged in any of these cases, the hirer remains financially liable and must pay for the damage.

- Breach of navigation rules (outside authorised areas, at night, in winds above Beaufort 3… non-exhaustive list)
- Breach of closures, navigation restrictions and instructions given by our teams
- Navigating under the influence of alcohol, drugs or any substance, including medication, that affects awareness or the ability to react
- False declaration
- Deliberate damage to the boat and any malicious act committed by, or with the complicity of, a person on board
- Unlawful or improper use of the boat, its equipment or tender
- Use of the boat for purposes other than personal leisure
- Exceeding the number of passengers authorised by the hire company
- Damage to the bimini or soft top (canvas and/or frame)
- Damage to the railing(s)
- Damage and costs related to running aground (e.g. towing the boat)
- Costs of abandoning the boat
- Late return of the boat
- Call-out for toilets blocked by the crew
- Loss, theft or damage of hired bikes or any optional equipment hired with the boat (barbecue, wifi box, etc.)

Hirers, their personal belongings and their own third-party liability **are not covered** by the boat insurance.

Whatever option you choose, in the event of an accident you must **fill in an accident report** and inform your departure base straight away. Fees may be charged if you refuse.
